

Lesson Title: Amplify: Diversity & Inclusion

Slide ID: 1`

Programming/Interactions

Visual:

The Next button will continue with the next slide.

The narration will play automatically.

Reviewer Comments

The narration will have a human voice to engage the participants during the online training.

Audio:

This slide will include narration that reads the title and names the course designer. The narration will be recorded through Microsoft PowerPoint and integrated into the PowerPoint slide.

Multimedia Notes:

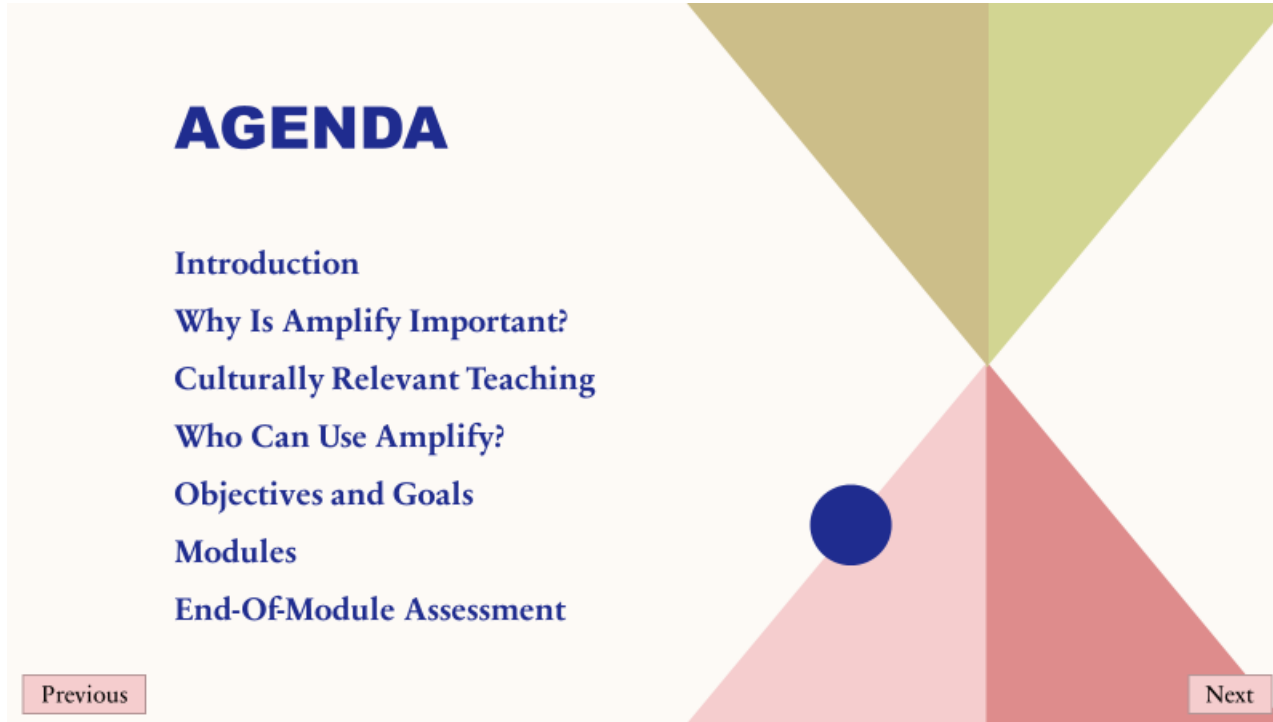

The PowerPoint slide has the colors dark blue, light blue, and pink. The text is hosted at the center of the PowerPoint and outlines the topic of the online training.

Lesson Title: Agenda

Slide ID: 2

Programming/Interactions

Visual:

**The “Next” button will continue to the next slide when clicked.
The “Previous” button will take the participants to the previous slide.**

Narration Script:

The narrator will outline the agenda and state every topic that will be addressed throughout the online training.

Audio:

The narrator will have a human voice and outline the text on the slide. The speaker icon will be hidden and the audio will start automatically.

Multimedia Notes:

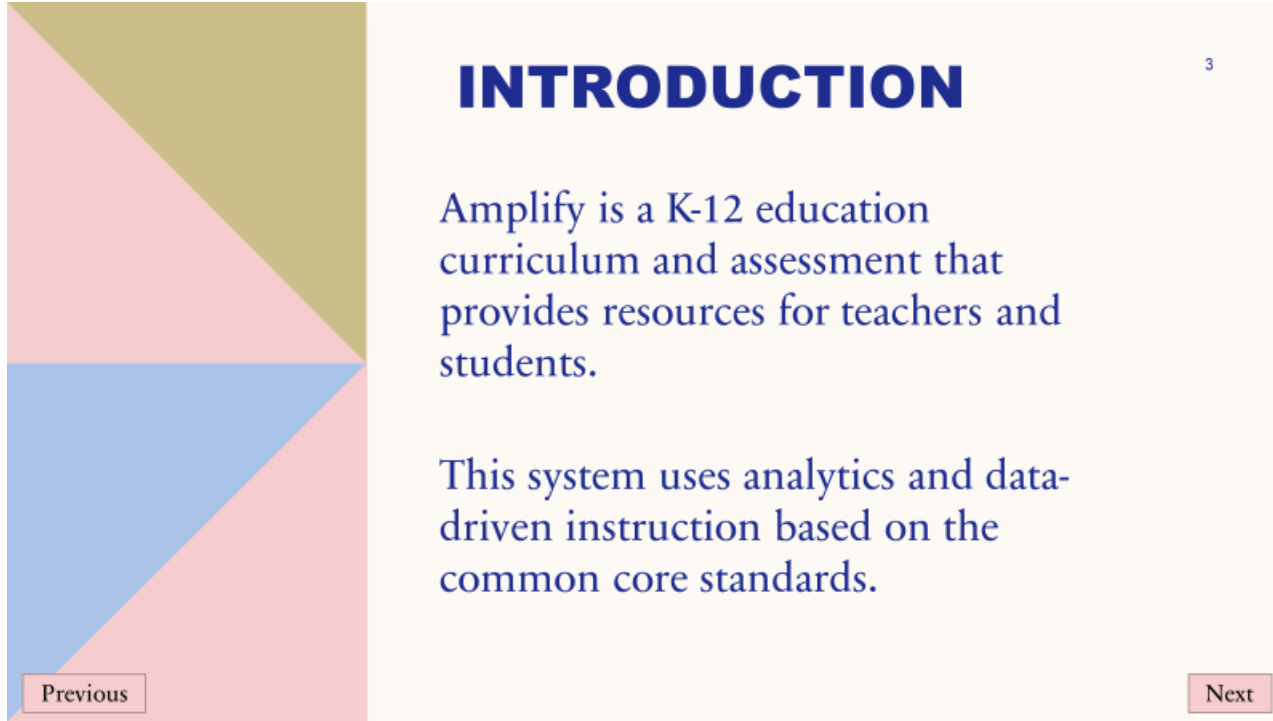

The PowerPoint design uses light green and pink shapes that are presented on the right-hand side of the slide. The design is simple and will engage the participants without being distracting.

Lesson Title: Introduction

Slide ID: 3

Programming/Interactions

Visual:

The slide features a decorative left sidebar with a vertical gradient of colors: olive green at the top, light pink in the middle, and light blue at the bottom. The main content area has a light beige background. The title 'INTRODUCTION' is in large, bold, blue capital letters. Below the title, there are two paragraphs of blue text. The first paragraph describes Amplify as a K-12 education curriculum and assessment. The second paragraph states that the system uses analytics and data-driven instruction based on common core standards. At the bottom left is a 'Previous' button and at the bottom right is a 'Next' button. A small number '3' is in the top right corner.

INTRODUCTION

Amplify is a K-12 education curriculum and assessment that provides resources for teachers and students.

This system uses analytics and data-driven instruction based on the common core standards.

Previous Next

The slide has buttons to move forward to the next or previous slide.

Narration Script:

“Amplify is a K-12th education curriculum and assessment that provides resources for teachers and students.”

Audio:

The trainer will have a human voice and narrate the introduction. The description of Amplify will be stated and the audio narration will be started automatically.

Multimedia Notes:

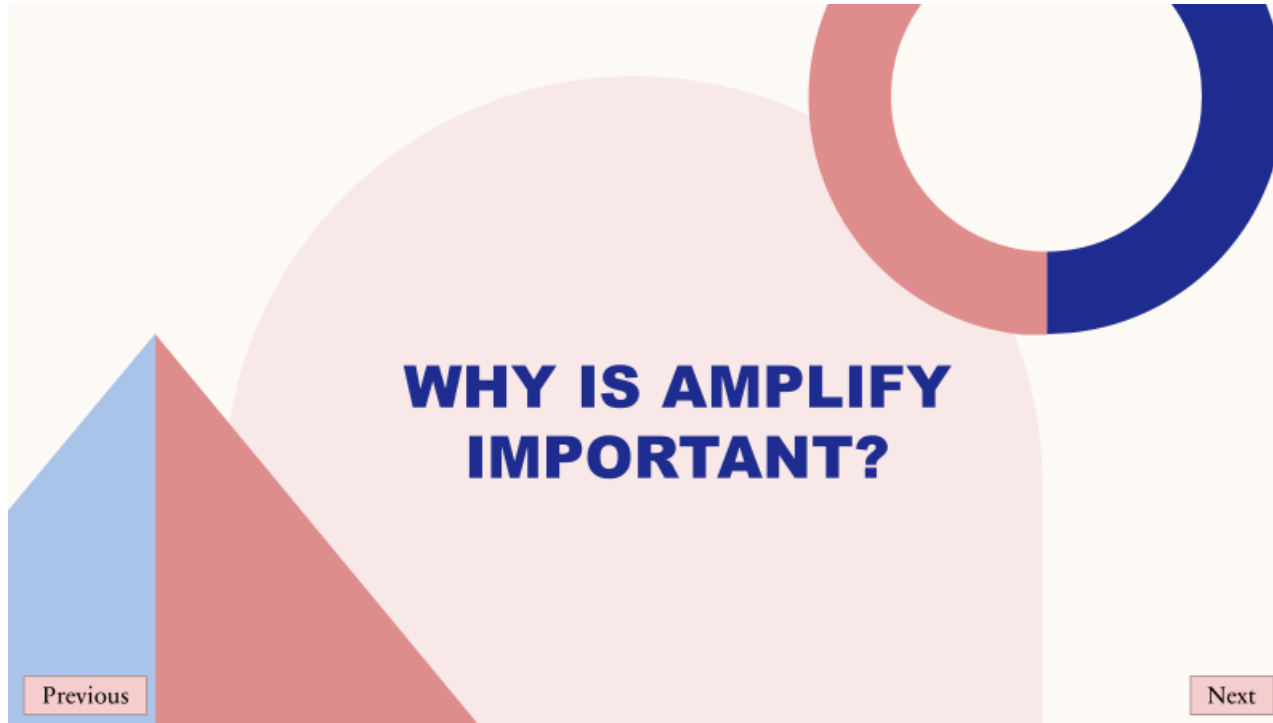

The design is simple and presented on the left-hand side of the PowerPoint slide. The theme has a constant color across the slide that is engaging.

Lesson Title: Why Is Amplify Important?

Slide ID: 4

Programming/Interactions

Visual:

**The “Next” button will continue to the next slide when clicked.
The “Previous” button will take the participants to the previous slide.**

Reviewer Comments

“Amplify is important because it provides resources to increase culturally relevant teaching within the classroom and at home. It bridges the gap of foundational education.”

Audio:

The trainer will have a human voice and narrate the introduction. The description of Amplify will be stated and the audio narration will be started automatically.

Multimedia Notes:

The PowerPoint slide has the colors dark blue, light blue, and pink. The text is hosted at the center of the PowerPoint and outlines the topic of the online training.

Lesson Title: Culturally Relevant Teaching

Slide ID: 5

Programming/Interactions

Visual:

Amplify Training

CULTURALLY RELEVANT TEACHING

- According to Christy M. Byrd, “Culturally relevant teaching is proposed as a powerful method for increasing student achievement and engagement and reducing achievement gaps.”
- Culturally relevant teaching can be achieved through:
 - I. Diverse Anchor Charts
 - II. Literature
 - III. Events Celebrating Various Cultural Groups
 - ❖ BHM, Mexican Heritage Month, etc.
 - IV. Lesson Plans

Previous Next

5

**The “Next” button will continue to the next slide when clicked.
The “Previous” button will take the participants to the previous slide.**

Narrator Script:

The narrator will read the words on the slide and elaborate on culturally relevant teaching and integrating those strategies in the classroom.

Audio:

The trainer will have a human voice and narrate the introduction. The quote will be read. The audio will begin automatically with the speaker icon hidden during the online training.

Multimedia Notes:

The slide has mostly words describing the importance of culturally relevant teaching. The quote is outlined in quotation marks and provides evidence that culturally relevant teaching is important for educators.

Supporting Diverse Learners

Amplify recognizes how crucial it is that all students who are learning to read should have access to high quality literacy instruction that meets their needs and improves their literacy skills; [our program's approach](#) to personalization, engagement, and instruction was designed with this guiding principle in mind. Amplify Reading supports the abilities of various learners by celebrating and meeting the unique needs of students from diverse backgrounds.

Accessibility Features

Amplify Reading is committed to serving all students, including students with disabilities or who use assistive technology. The program provides a variety of accessibility features that are designed to make Amplify Reading usable, enriching, and enjoyable for every student.

Key accessibility features include:

- Screen reader compatibility
- Read-aloud features

Previous Next

The “Next” button will continue to the next slide when clicked.
The “Previous” button will take the participants to the previous slide.

Narrator Script:

“Amplify Reading supports Diverse Learners through engaging content. Click the video to learn more about their features that promote diversity.”

Audio:

The audio will start automatically asking the participants to click the video to learn more about Amplify’s strategies to support diverse learners through explicit instruction. The speaker icon will be hidden during the presentation.

Multimedia Feedback:

The slide has mostly words describing the importance of culturally relevant teaching. The video is an article on Amplify Reading that discuss their support for diversity in the classroom.

Lesson Title: Who Can Use Amplify?

Slide ID: 7

Programming/Interactions

Visual:

The slide features a light beige background with the Amplify logo in the top left and the number 7 in the top right. The main title "WHO CAN USE AMPLIFY?" is centered in a bold, blue, sans-serif font. Below the title are four square images arranged horizontally. Each image is placed above a light green rectangular box containing a label. From left to right: 1. A teacher standing in a classroom with students at desks. 2. A group of students with their hands raised in a classroom. 3. A smiling man carrying a young boy on his shoulders. 4. A man pointing at a whiteboard in a meeting. At the bottom left is a "Previous" button and at the bottom right is a "Next" button.

The “Next” button will continue to the next slide when clicked.
The “Previous” button will take the participants to the previous slide.

Narrator Script:

“Who can use Amplify? Teachers, Students, Parents, and Administrators can have access to the platform. This software is meant to be used at school and at home.”

Audio:

The narrator will have a human voice and outline the text on the slide. The speaker icon will be hidden, and the audio will start automatically.

Multimedia Notes:

The slide has clipart that represents the caption below it. The pictures are diverse which reflects the topic of the online training. The color theme is similar to the previous slides. The rectangular shapes have text that reflects the photos.

Visual:

The “Next” button will continue to the next slide when clicked.
The “Previous” button will take the participants to the previous slide.

Narrator Script:

“These are the Objectives and Goals that will be achieved at the end of this training. (Reads off the objectives and goals”

Audio:

The narrator will have a human voice and outline the text on the slide. The speaker icon will be hidden, and the audio will start automatically. Each picture represents the caption below it.

Multimedia Notes:

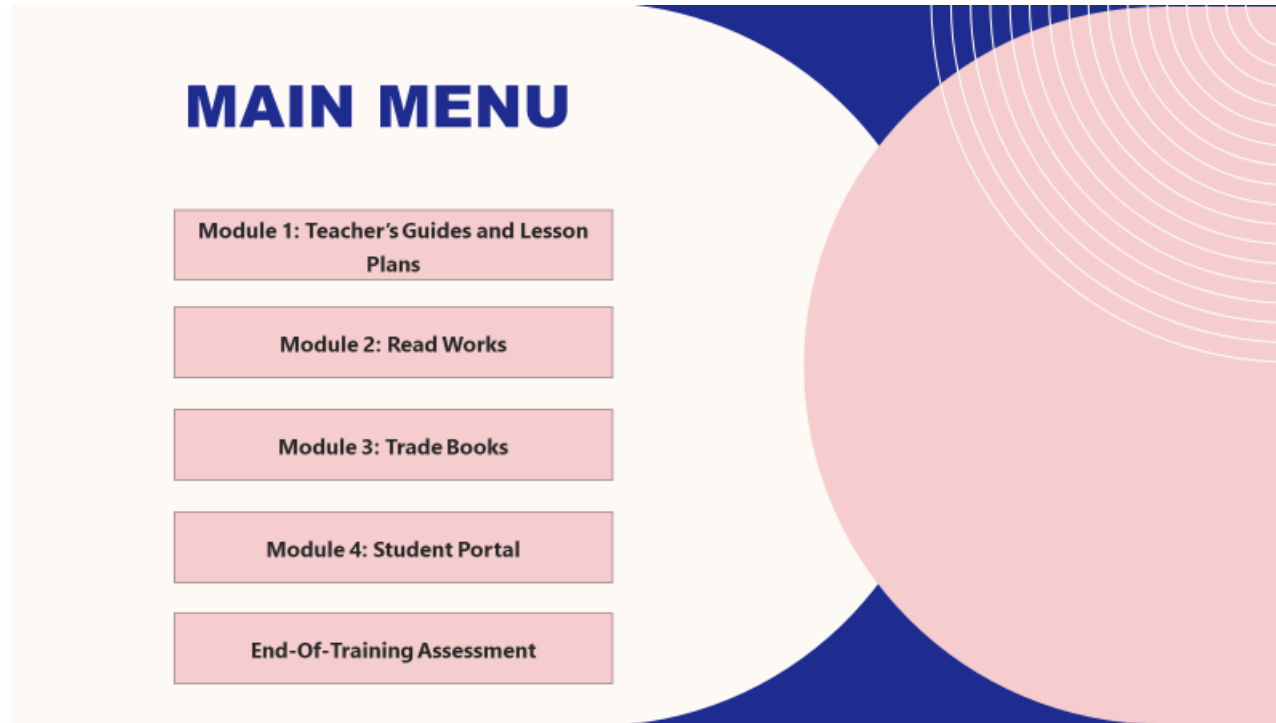

The slide has clipart that represents the caption below it. The pictures are diverse which reflects the topic of the online training. The color theme is similar to the previous slides. The rectangular shapes have text that reflects the photos.

Lesson Title: Main Menu

Slide ID: 9

Programming/Interactions

Visual:

The “Next” button will continue to the next slide when clicked. The “Previous” button will take the participants to the previous slide.

Each module is a button that leads to each module.

Narrator Script:

“Click on each module to learn more about the features of Amplify Reading that support diversity and inclusion.

Audio:

The narrator will have a human voice and outline the text on the slide. The speaker icon will be hidden and the audio will start automatically.

Multimedia Notes:

The buttons are interactive and lead to each module throughout the PowerPoint. The design is similar to the previous slides and has interesting shapes formatted surrounding the text.

Lesson Title: CKLA Teacher Resource Site

Slide ID: 10

Programming/Interactions

Visual:

The “Next” button will continue to the next slide when clicked.

The Home button will take the participants back to the Main Menu.

Narrator Script:

“The CKLA Teacher Resources Site has the necessary tools teachers need to create and integrate diversity into their classroom centralized in one location.”

Audio:

The narrator will have a human voice and outline the text on the slide. The speaker icon will be hidden, and the audio will start automatically.

Multimedia Notes:

The clipart was a screenshot from the Amplify website and the slide design is cohesive with the previous slide with captivating colors and shapes. The animation is whimsical which is appropriate for training based on k-12th grade education.

Visual:

The “Next” button will continue to the next slide when clicked

Narrator Script:

The narrator will navigate the Amplify website and outline the features needed to successfully access the CKLA Teacher Resource Site.

Audio:

The audio will automatically play with the participants clicking the slide. The video clip is around 3-5 minutes and shows step-by-step, the correct way to access the material. Also, the participants will learn the importance of these features for incorporating into their instruction.

Multimedia Notes:

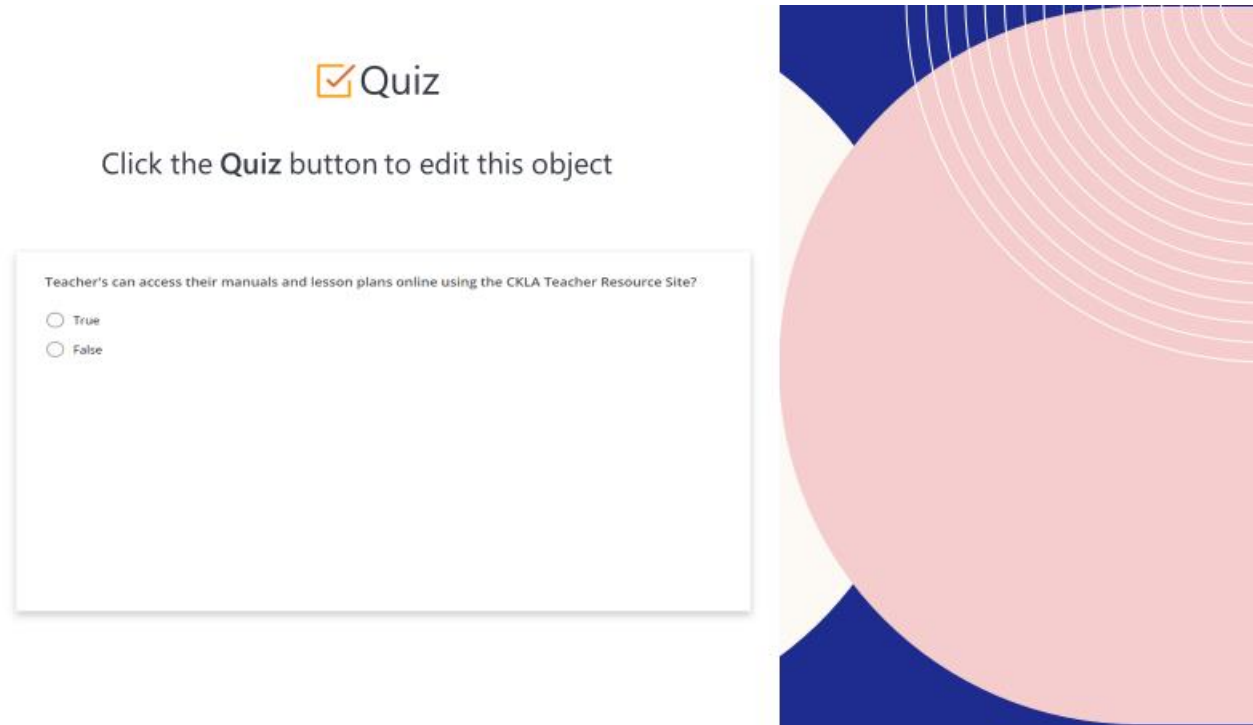

The narrator will use a screen record to take a video navigating the website. The video will play full screen.

Lesson Title: Quiz

Slide ID: 11

Programming/Interactions

Visual:

The Quiz will pop up on a different screen and the participants will answer the questions.

Narrator Script:

“Answer the question for the quiz. Receive a 100% and you can move on to the next module.”

Audio:

The narrator will have a human voice and outline the text on the slide. The speaker icon will be hidden, and the audio will start automatically.

Multimedia Notes:

The Quiz will be presented on a different screen. The participants must click the Quiz button to edit the object or quiz.
